Welcome
TO OUR HOME

Hello Everyone,

We want you to feel at home here.... just as if you are in our sitting room
for lunch or tea – not dining out at a restaurant

The menu, served throughout the day, is comprised of Polish and British cuisine with
other European influences, made from the finest locally sourced seasonal produce.

There are no white tablecloths and the food will never be arranged on the plate with tweezers
but, your food will always be served with spirit (often literally so! Please ask for our special
beverages), & a lot of fun & flair by Rich.

Whilst each of our homemade dishes will be artfully cooked up by Rob with a creative panache
that comes from the heart!

Our ethos and that of 'The Old Dresser' is to spread the appreciation of well-cooked food
with lots of flavour. If this is for you?

Then, you will love it here!

Rob & Rich
